FAHMIDA ISLAM

PROFILE:

25 years old, student, born in Bangladesh, raised and educated in Italy. Currently studying at the University of Bologna and focusing on UX/UI design at an **international Master's Degree**, where I can combine **creativity, empathy, and attention to detail.**

I'm **curious, organized,** and highly **motivated to grow.** My experiences in cultural, social, and retail fields have strengthened my **communication, teamwork, and problem-solving** skills.

I'm now **seeking an UX/UI internship** to apply my knowledge and develop professionally.
